  - e) **NCR. 13.5.10.1, 13.5.10.1** Scheduled Timing will be used. The time recorded will be the time that the car stops at the control. Competitors early or late at a control may be an equal amount early or late at a succeeding control without further time penalty.
  - f) **NCR 13.5.10.22** Competitors will be timed to the previous whole minute by the Marshals' official time pieces. (A clock will be on display at the start to enable you to set your watch to 'Rally Time'.)
  - g) **NCR 13.5.3.1, 13.5.4.1, 13.5.6.1** Controls and route checks will be established on the route. The position of these may not be disclosed in advance. Checks will be either manned points (Passage Controls), or unmanned (Route Checks) which will consist of Route Boards bearing code letters. These must be copied exactly onto your time card, in the correct place, to avoid penalty. The Organisers reserve the right to establish manned secret checks for the purposes of ensuring the correct route is adhered to at all times.
  - h) **NCR 6.11.d) (ROADWORTHINESS)** An entrant shall, before the event, satisfy himself as to the eligibility and safety of the vehicle and safety equipment and the competence of its driver.
  - i) **NCR 6.11.e) (ROADWORTHINESS)** An entrant shall furthermore ensure that a vehicle is maintained in an eligible and safe condition throughout the event or meeting.
  - j) **NCR 6.1.2. (ROADWORTHINESS)** The act of presenting a vehicle and safety equipment for official scrutiny shall be deemed a declaration of its fitness and eligibility for the event and an acceptance of the consequences of such a declaration not being valid.
17. Please note the MSUK Blue Book regulations regarding lighting, which are more restrictive than the RTA:
 

**NCR 13.15.5.6** Auxiliary lamps unless fitted as standard equipment using gas discharge or LED technology are not permitted and gas discharge or LED headlamp units may not be retro fitted. **CI 11 Lighting Systems – Restrictions on LED Headlights no longer apply to cars in Classes 1-3.**
18. The Organisers' mileages shall be deemed correct and will not be subject to protests.
19. Competitors' Instructions will be emailed or posted approximately 10 days before the event and posted on the Clubs virtual noticeboard for the event. These Instructions will include an entry list by Class and Speed Category entered. Competitors wishing to change Class or Speed Category must notify the Secretary of the Meeting at the Club offices (01608 644777 ext 6) no later than 5pm on the Monday before the event. Any changes requested after this time will be at the discretion of the Steward.
20. The route is on 1/50,000 Ordnance Survey O.S. Landranger 1:50,000 Maps 129, 130 and 141. Entrants in the Champagne Class will receive a map with the route marked on it, they will also receive a copy of the Clubman Route instructions if you would like to attempt these. Navigation will be entirely by map references with selected directions of approach/departure as necessary. All classes will have the same basic instructions but will be differentiated by different plotting times. Apart from a 'romer', pencils, eraser, and a watch which displays time to the second, no additional navigational instruments are required.
21. Any notice displayed at the start or en-route bearing an official's signature shall have the same authority as these SR's.
22. Force Majeure notwithstanding, the Organisers reserve the right to delete penalties at any control or check and/or delete any part of the route from the results if they deem it fairer to do so.
23. Any appeal or protest must be lodged in accordance with NCR 2.4 and NCR 2.9.
24. **Navigational Aids**

**PRE-WAR ENTRANTS (CLASSES 1,2 & 3)** 'Use of **ANY** global or other positioning device any car-driven distance recorder or average speed calculating device of post-1940 design; and/or any digital display clock, calculator or other device which is attached to the car' IS PROHIBITED.

**ENTRANTS IN THE INVITED / HISTORIC CLASSES (4, 5 & 6)** are allowed to use a Halda, Brantz or similar device driven by the car that measures distance. Dashboard mounted digital clocks/ watches are also allowed. Electronic devices that can calculate average speeds or locate position by satellite (either car mounted or separate) are **NOT** allowed. Entrants **MUST** either: disconnect any equipment of this kind or seal and tape it up so that it cannot be used and declare as such on their pre-event declaration.

Competitors in Class 1-3 will be required to complete a declaration regarding the use of Navigational Aids as part of the event entry form, confirming they understand the following regulations and the associated penalties for breach of this regulation. *Use of any global or other positioning device (R18.6.4), any car-driven speedometer, distance recorder or average speed calculating device of post-1940 design, and/or any digital display clock, calculator or other device which is attached to the car is forbidden.*
25. Competitors must have Insurance in place which provides Third Party Liability cover that complies with the Road Traffic Act. This can be an extension to the existing motor policy for the car or purchased via the event organisers. If a competitor uses an extension to an existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor.
26. There will be no penalty for bringing your car to the event on a trailer and there will be space for parking of trailers. The location of the trailer park will be advised in the Competitors' Instructions.
27. The event will count towards the Club's annual trophies.

## **NOTES**

An indoor café will be available on site at the event headquarters throughout the duration of the event, tea/coffee, light refreshments, meals (including breakfasts) will be available. All participants are encouraged to make use of this facility which is being specially opened for the Measham.

At the halfway break there will be refreshments (soup, bread and hot drinks). For crew members this is included the event entry fee.

'Finding Your Way'. If you would like a copy of this introduction to rally navigation and timing by Dick Patten & Robert Ellis please contact the office, [comps@vscc.co.uk](mailto:comps@vscc.co.uk) or [CLICK HERE](#) to download

## **SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT THE VINTAGE SPORTS-CAR CLUB (VSCC) AND DURING VSCC EVENTS**

It is the Policy of the Vintage Sports-Car Club (the Club) to operate in a positive culture of safety, health, and environmental protection throughout its entire business and sporting activities. To this end, the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire, or 'SHEF'.

The Club fully recognises the potential risks in its activities, the application of relevant legislation, and that it has the ultimate legal responsibility in these matters both in the workplace and at the Club's events. Accordingly, the President accepts overall responsibility for policy formulation and effective implementation of that policy. In turn, all employees, competitors, officials, and volunteer helpers are responsible for all SHEF duties allocated to them, either directly, or as a result of the Club's SHEF policy. Members of the public at Club events, whether paying or not, will be advised of their responsibilities as a result of their decision to spectate.

In pursuance of this policy, the Club will progressively identify all hazards and take measures to reduce risk. Motor Sport is spectacular and exciting, providing enjoyment to competitors and spectators alike, but there are many aspects of the sport which carry inherent risk. Much of this risk cannot be eliminated totally, and the emphasis must therefore be placed on controlling the risk through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible, or to reduce the risk to levels which are demonstrably As Low As Reasonably Practicable (ALARP) where it cannot.

Throughout all of its activities, the Club will appoint an appropriate number of competent persons to implement the Club's SHEF procedures. In addition, a number of SHEF committees are established to ensure proper consideration of all risk factors, Committee members and other competent persons may be employees or volunteers. Competence will be guaranteed by formal training, the maintenance of records and, for motor sports events, full compliance with the NCR'S of Motorsport UK, the governing body of the sport in the UK, and the venue owners.

S Blakeney-Edwards President
